

Three Rivers and Three Pools

River Monnow: Trout, Grayling, Barbel, Chub, Dace, Perch Roach—2 Miles

River Trothy: Wild brown trout stream—5 Miles

River Wye: Coarse Fishing for Barbel, Chub and Grayling

Directions to the Fishing:

Left and right banks are always designated looking Downstream

River Monnow

Both banks upstream from the flood relief works behind the Bus Station to the Footbridge behind the Castle — approx 300mts.

Access left bank from bus station car park and right bank either via Castle footbridge or park entrance gate at Rockfield Rd car park at Drybridge.

Right bank only upstream from the Castle footbridge to the fence of Salts Lodge above the broken weir. (approx 1000mts). This stretch known as the Vauxhall Stretch can be accessed via the Castle footbridge or the Inglis Bridge on Osbaston Rd.

Access from Osbaston Rd—Take the A466 towards Hereford, bear left in 300mts then left at 200mts across the Inglis Bridge to parking area.

Access from Rockfield Rd—Turn right at Watery lane roundabout, (3rd exit) and follow track (bearing left) across Vauxhall fields towards the Inglis Bridge. MOD restricted.

The Pwllholm Stretch

This section is MOD property and is accessed on foot by a gate marked MOD Property on Ancrehill Lane some 600mts upstream of Salts Lodge (via field). **Note:** Access & Car parking is difficult. For more information contact the Secretary on 07791 248868.

River Trothy

3000mts of right bank from the field below Jingle Street bridge up to Dingestow Bridge. Plus 2 miles of right bank from St Dingat's Church, Dingestow, to the orchard of Lower Llantrothy Farm.

Access at Jingle Street: Leave Monmouth on the Wonastow Rd and travel for approx 2.5 miles. Jingle Street Bridge is on the left.

Access at Dingestow: Continue past Jingle Street to Dingestow. At the tee junction turn right then right again to the Church car park. For access to Lower Llantrothy continue past church for 1 mile & turn right at top of brow behind white bungalow. Park just before farm entrance off the driveway. Pedestrian access is allowed through the farm.

River Wye (Coarse only)

Lower Wye (no fishing during the salmon season) Both banks downstream from Wye Bridge to its confluence with the Trothy. (1200mts) **Upper Wye** Left bank upstream from a point opposite the inflow of the Malley Brook to the beat limit sign approx 200mts below the bend. The first accessible swim is 60 paces downstream from the car park with sign showing M&DAS fishing information.

Treowen Pools

Turn right for Treowen House (signed) midway between Jingle Street Bridge and Dingestow. Park at third gate on right hand side for the small pool (B) at the bottom of the field. To access the Carp pool, drive on past the house and park at the far end of the large car park. In 30mts pass through the first metal field gate on the right. The pool is sited in the left hand corner of this field. The large pool is accessed through the woods by a gated track found lower down this field

. Please ensure all gates remain closed.

Trippenkennet Fishery on the A466/B4521 junction, is available to M&DAS members at reduced rates. See website www.monmouthfishing.co.uk for details.
